The warrior code says: An honorable warrior does not need to kill other cats to win his battles. Victory can be won without spilling blood. Going into battle is the hardest decision a Clan leader can make. If I send my warriors to fight against another Clan, it hurts me more than any claw or tooth ripping through my pelt. Battle is the very last resort, and I, like all Clan leaders, will do anything to avoid spilling the blood of my warriors or those of another Clan.
